

Your holiday, our concern

This survey is part of the methodologies course of the Master Leisure, Tourism and Environment of Wageningen University and Research Centre. We would be very grateful if you would like to fill out this questionnaire.

In the survey you will find questions about how and where you spent your holiday, why you went on a holiday and some more general questions. All the answers you give will be treated confidentially and anonymously.

Every section of the survey provides clear instructions. Please read them carefully before answering the questions.

If, for any reason you do not want to continue filling out the survey, you can always stop at any time. However, an entirely filled out survey would greatly help us with the research and complete our study!

Filling out the survey will take twenty minutes approximately.
